

ABOUT

In 1999, Sharmila began teaching dance in the UAE and formerly established her company "Sharmila Dance" in 2006 at the Dubai Community Theatre and Arts Centre, MOE, where she offered classes to students ranging in age of 7 years old through to adults and professionals. In 2018, she decided to open "Sharmila Dance Center" which is based on the 3rd Floor at Al Attar Business Centre in Al Barsha and has three state of the art dance studios. With over 500 students currently attending classes at the Centre she looks forward to offering an even larger variety of classes to a wider range of dance and performing arts enthusiasts.

Sharmila has over 25 years of experience in teaching, choreographing and directing extraordinary events in the U.A.E as well as around the World. Sharmila still teaches a number of classes and styles but is thrilled to have introduced some of the most talented teachers and choreographers to her team. Further creating a healthy environment for young and mature students to train and express their love for dance and the performing arts with likeminded individuals.

Sharmila Dance Centre is all about having fun while getting serious training. There are classes for children as young as 5 years of age to fully trained professionals. We are proud to create fabulous dancers and have our alumni spread all across the globe training in some of the most elite dance schools, teaching, performing in prestigious Ballet Companies as well as appear on some of the leading stages in the West End and Broadway as well as acting in movies on the big screen and a number of television series.

Everybody can dance, it's the drive and passion that makes you a dancer.
